1. MISSION STATEMENT

The Extended Day Program furthers the mission of Midtown West as a school that supports children and their families. The primary goal of the program is to provide child-care for working families. A strong sense of continuity for our children is maintained as they move from the school day into the after school hours by using the Midtown West facility and staff members whenever possible and to provide high quality activities that stimulate children intellectually, socially, and physically, in a safe, nurturing environment.

2. REGISTRATION

Registration for the school year takes place over the summer. Applications are available in July (for the school year starting in September) and should be returned by the August deadline. A complete registration packet must include all the required forms and full payment. Children will not be registered in classes with incomplete registrations packets. Classes fill up on a “first come, first served” basis and may be canceled if under enrolled. An annual registration fee, the first month’s tuition and a non-refundable deposit (held as the last month’s tuition) are due upon registration.

Late registrations returned after the August deadline will be charged a \$120 registration fee. Late admittance will be based upon availability and children **may begin the program late**. For ongoing registration throughout the school year, registration forms must be received by the 15th of the month in order to start the program at the beginning of the next month. Families must expect a processing time of two weeks. Children will not begin the program in the middle of a month.

Special Fee Class payments for YOSL classes are due by the beginning of the school year.

3. PROGRAM FEES - PAYMENTS

Fees are calculated based on the yearly program costs and *pro-rated for the 10 month program*. The registration fee and the first and last month tuition payments are due at registration. Invoices are emailed to families at the beginning of each month. **Monthly tuition payments are due the first of each month** (whether you have received your bill or not.) If you do not receive your emailed invoice at the beginning of the month please contact the office to confirm your email address. If the first of the month falls on a weekend, payment will then be due the first day back at school. If payment is not received by the tenth of the month, a \$20.00 late fee will be charged. Your account must remain current each month or your child will not be allowed to remain in the program.

All payments and registrations must be completed online For Venmo, Zelle Quick Pay or Bank Transfer PayPal. See the Registration Instruction page for details.

We ask that families do not drop days from their schedule until the January “Free Change” period (see details below.) There will be a \$15 change fee for any requested changes - to add days or to change into other activities. The change request form must

be submitted by the 15th of the month for the change to go into effect by the beginning of the following month. Families dropping out of the program must provide written notice one month in advance. Deposits are non-refundable but can be applied to your last month's tuition with one month's written notice.

4. SCHOLARSHIPS

There are a limited number of scholarships available to qualifying families. Determination will be based upon income and family circumstances. Applications are included in the registration packet and available in the Extended Day office and on the MTW website. Forms must be completed and submitted to the MTW Extended Day Coordinator. Scholarships do not cover the \$80 yearly Registration Fee, Special Fee classes (YOSL) or any of the camps. The Registration fee must be included with your scholarship application along with all other registration forms.

5. SPECIAL FEE CLASSES

Special fee classes, YOSL Violin, are charged in addition to your regular Extended Day tuition. If you register for a Special Fee Classes you must pay the full amount at the beginning of the semester (in September & February). These additional charges relate only to the YOSL Special Fee Classes. Please note: charges for Special Fee Classes are non-refundable. Once you commit to these classes there will be no make-up classes or refunds for missed classes. Your monthly tuition covers the cost of the Extended Day Program for the rest of the day.

6. DAILY SCHEDULED ACTIVITIES

The Extended Day Program at Midtown West offers a rich variety of fun activities for all grade levels at a reasonable cost. See the Activity Schedule for a full range of current activities. Our talented staff includes many of our own Midtown West teachers and other NYC professionals. At times, classes may be canceled due to unforeseen changes in teachers' schedules or for other reasons beyond our control. It is not always possible to notify families in advance of such changes and children will be moved into unstructured play activities on those afternoons. Most activities are scheduled in one hour periods, although some class times may vary (see the Activity Schedule for details.)

The Daily Schedule:

- **3:00-3:30** Children check-in for attendance in the cafeteria and are given a snack. Children eat their snack at designated tables based on their scheduled activities. Pre-K and K children play first and eat their snacks at 3:30.
- **3:30-4:30** Session I Activities
- **4:30-5:30** Session II Activities
- **5:30-5:45** Families pick up children in the cafeteria.
- **YOSL** classes may be scheduled in 45 minute sessions from 3:15-5:45

NOTE: Pre-K and Kindergarten Schedules below:

Pre-K students remain together as a group engaging in age-appropriate activities throughout the day. They play for the first half hour, have snack at 3:30 then begin organized activities at 4:00.

Kindergarten students remain together as a group engaging in age-appropriate activities throughout the full day during the first semester and join inter-aged activities for the second session each day beginning in February. Kindergarten families will complete Activity Schedules in early January to facilitate this change in schedule. Kindergarten children play for the first half hour, have snack at 3:30 then begin organized activities at 4:00.

CHOOSING ACTIVITIES FOR THE YEAR - Families will choose activities for the entire year of programming when they register. Classes are assigned on a 1st come - 1st served basis so return your registration packets asap to get your first choices. Only kindergarten and first grade will be offered additional choices for the second semester starting in February. All other students will have the opportunity to request class changes free of charge during the "Free Change Week" which will be the second week of January. Space permitting, those changes will go into effect February 1st. All other children will keep their schedules for the entire year. If class changes requested through the year there will be a \$15 change fee and the change will depend on availability.
